With our thanks...

George Mason University has 15,476 reasons to be grateful—that is the number of donors who helped make fiscal year 2007 another success for the Mason community. These alumni, friends, faculty and staff, students and parents, corporations, foundations, and other supporting organizations perpetuated Mason's excellence through their gifts totaling nearly \$22 million in support.

This Honor Roll recognizes contributions received during fiscal year 2007 (July 1, 2006–June 30, 2007) from individuals at the President's Circle level, which begins at \$1,000. Alumni who received their baccalaureate in the past decade and donated between \$500 and \$999 are also included. In addition, donors who have provided extraordinary cumulative support or who have informed the university of planned gifts through their estates or other deferred gift vehicles are recognized.

Contributions from corporations, foundations, organizations, and trusts are also critical to the success of George Mason University. A listing of entities that have provided support of \$5,000 and above is on page 5.

The George Mason University Foundation thanks each of its donors for their help in opening doors for worthy students and advancing our collective knowledge through the innovative teaching and research happening at Mason.

PRESIDENT'S CIRCLE

Senior Benefactor

Charlotte D. and Buddy G. Beck
Arthur A. and Carlyse F. Ciocca
